BTA Plan Features and Benefits

Arch's BTA plan includes many benefits. The following list is an example of some of the most frequently used benefits. Contact me for a full list of benefits.

- Accidental Death & Dismemberment** – Should a tragedy occur, having the right protection can make a difference for employees and their families.

- Medical Evacuation** – If the local area cannot provide sufficient medical treatment, a traveler can be transported to a hospital with appropriate care, and even back home if necessary.

- Repatriation of Remains** – If the unthinkable happens, this benefit will pay for a traveler's remains to be brought home.

- Out of Country Medical** – Pays for emergency medical care received in a foreign country.

- Security Evacuation** – If the traveler is caught in an unexpected political situation or natural disaster, this benefit may be available to transport them to safety.

- Travel Inconveniences** – Several other benefits provide coverage for mishaps, such as delays or cancellations, and lost, stolen or damaged luggage.

Travel Assistance Included

Arch's business travel insurance plans include 24/7 emergency travel assistance services, supported by a designated travel assistance provider. Employees are just a phone call or email away from being immediately connected to doctors, hospitals, pharmacies and other services when they are traveling. Travel assistance services may include, but are not limited to:

Travel Assistance
